

XcelHR named “Best PEO for Small Businesses” by Business.com

XcelHR was named the “Best PEO for Small Businesses” by Business.com out of 700 PEO’s nationwide.

Rockville, MD – November 13, 2018 – XcelHR is excited to announce, that Business.com recently [named XcelHR](#) the “Best PEO for Small Businesses” after reviewing 700 PEOs across the country. Our goal as a company is to make the lives of business owners easier, and their businesses more successful. We are delighted to be recognized in this way.

When nearly [43% of small business owners](#) experience a lawsuit, our services are increasingly more important and relevant to our clients than ever. At their most basic, PEOs can manage HR tasks and at their most complex, ensure compliance to complicated HR laws - all of which prevent those damaging lawsuits from happening in the first place. XcelHR is committed to protecting our clients and their employees.

What put XcelHR at the top of the pack?

- We are one of the few PEOs that will provide services for companies with just one employee, whereas many others require a minimum number of employees to begin service.
- We have an A+ rating with the Better Business Bureau (BBB).
- We are a national PEO, licensed to operate in all 50 states.
- We have a flexible payment structure – you can pay per-employee or a percentage of your gross payroll.
- We offer a flexible service package – you can add or remove services based on what fits your business best.
- We offer clients a designated service team to resolve issues quickly.

XcelHR’s unique blend of personalized customer experiences and flexible service offerings make it easy for business owners to find a solution that works best for them. Backed by more than 20 years of experience in the industry, XcelHR has proven itself to be a leading PEO provider to small businesses everywhere. Please feel free to view XcelHR’s review on Business.com [here](#).

About XcelHR

XcelHR is a Professional Employer Organization (PEO) that specializes in helping small to mid-sized businesses mitigate the employment risk associated with managing employees. XcelHR takes care of the day-to-day HR administrative tasks associated with paying employees, offering benefits, resolving disputes and more, so business owners can focus on revenue-generating business initiatives.

Our HR expertise and HRIS software assists business owners at critical points throughout the employee lifecycle, from recruitment to retirement. Businesses that partner with a PEO grow 7 to 9% faster than those not with a PEO, and are 50% less likely to go out of business (NAPEO). XcelHR is a nationwide PEO which services hundreds of clients and thousands of worksite employees in the fifty states of America.
