

Support The Heroes On The Frontline

The world is facing an unprecedented crisis. Many people have lost their jobs, health, loved ones and inner peace. Amidst this calamity, our communities are coming together to combat COVID-19, proving that love can triumph through any adversity. Please join this battle by donating to the Hildon Foundation and XcelHR Covid-19 Relief Fund. #UnitedWeStand

Why Donate Today?

Your financial and physical donations will support the preparations and care of infected patients, provide comfort to frontline workers, as well as support scientific research for a vaccine. Your contributions will help:

- ☒ Make facility alterations to increase clinical capacity
- ☒ Increase staff to address patient surge and provide training
- ☒ Purchase medical and personal protective equipment
- ☒ Address the needs of the hospital staff, including transportation and hotel stays
- ☒ Increase security
- ☒ And much more!

Let's stand together to protect the health and future of our communities. **#AloneTogether**
